Technically Proficient in videography with a vast background in the usage of Canon C series cameras, and others. Proficient audio editing skills in Ableton audio editor. Experience with deploying music, and videos to Youtube, and all streaming services. Advanced experience with cameras and audio equipment.

### ***Applications:***

First started working in film during highschool, and quickly became the president of Highland Park High school Media production club. Created many bumpers and advertisements for the morning news program. Worked on over forty films in different roles including DP, Director, and Audio Technician.

### ***Other skills:***

Proficient Full Stack Web Developer with over a year of experience in website development. Experience using HTML, CSS, JavaScript, JQuery, Bootstrap, SQL, MongoDB, React.js, and Materialize.

## PROJECTS

**BUTTERFLY:** <https://youtu.be/gevfZiZr0-I>

Short film created for the Columbia Chicago Film school class. I shot and produced it with help from Olivia Vincent, then edited it using Final Cut Pro.

**PONCHO X COMMERCIAL:** <https://youtu.be/F4uJRuOa0nc>

Mock commercial for my media studies class during my senior year of highschool. I shot this using the Canon C100, and edited using Final Cut Pro.
